Side-by-Side (SxS) models are recommended for use only by operators 16 years and older with a valid driver's license. Always wear your seat belt, helmet, eye protection and protective clothing. Yamaha recommends that all Side-by-Side riders take an approved training course. For Side-by-Side safety and training information, see your dealer or call the ROHVA at 1-866-267-2751. Read the Owner's Manual and the product warning labels before operation. Avoid excessive speeds and never engage in stunt riding. Always avoid paved surfaces and never ride on public roads. And be particularly careful on difficult terrain. Never ride under the influence of alcohol or other drugs; it is illegal and dangerous.
